How many flex entries will players receive? A flex entry is an entry that players can assign to whichever prize draw option they like.

- 1 flex entry for every $1 worth of tickets entered (i.e. $4 of S&W = 4 flex entries)
- PLUS players will receive one spin in the Spin and Win bonus game for every $5 worth of tickets entered for the opportunity to instantly win a $50 gift card, or more flex entries! (i.e. $5 of S&W tickets = 5 entries + 1 spin on the Spin Wheel, $10 of S&W = 10 entries + 2 spins on the Spin Wheel)
- *For Facebook bonus Contest codes, 1 Contest Code = 1 flex entry
